Hall/ Booth no.	Type of stand	Front x depth in m

1. No pro-rata repayment of the stand rental charge will be made for items included as standard but not required by the exhibitor. These items cannot be exchanged nor offset against other services.
2. All the items supplied are used for rental purposes. They are generally used on more than one occasion and are sometimes not as good as new.
3. During the rental period, the exhibitor and persons associated with him are responsible for the rented property and are fully liable under civil and criminal law for any loss of or damage to structural components or furnishings. Meplan should be notified immediately of any damage to the stand structure or the theft of any parts. Damaged walls will be invoiced to the exhibitor at a price of EUR 45.00 per wall.
4. Cabins and lockable items of furniture are not burglar-proof, which is why the exhibitor is strongly recommended to order the stand guard service (form 9.1). Moreover, the exhibitor is strongly recommended to adequately insure both the rented property as a whole as well as any display items and the like (value of approx. EUR 500.00 per m<sup>2</sup> of stand space; see also form 17.1). At no time can the rental company be made liable for any items left on the stand.
5. The exhibitor officially takes over the stand on the last set-up day prior to the event starting. Should the exhibitor prefer a different day to the above, he must notify the rental company accordingly in writing. The new day is only considered to have been agreed once the rental company has given its written consent to this effect.
6. The exhibitor is not allowed to make any structural modifications to the items rented without first seeking approval, nor may glue or nails be used to attach displays to the walls, nor may the walls be damaged in any other way. The costs incurred in removing any residual glue will be invoiced to the exhibitor.
7. In the event of the elements ordered no longer being available, we reserve the right to instead supply items equivalent or better.
8. The exhibition stand is to be left empty at the end of the event. The cabins on the stand should also be left empty with unobstructed access to the doors. The rental company assumes no liability for any items left on the exhibition stand.
9. The exhibitor is supplied with the relevant keys for the duration of the rental period. A charge of EUR 50.00 will be invoiced to the exhibitor for any opening of cabins, etc. required after he has taken over the stand due to keys having been mislaid or lost. At the end of the trade fair, keys have to be left in the locks concerned. A charge of EUR 50.00 per key will be invoiced to the exhibitor for any keys lost.
10. Place of fulfilment of the contract and seat of jurisdiction for both parties is Munich.
