Iran ConMin 2010

9th International Trade Fair for Machinery, Plant, Processes and Materials for the Construction Industry, Building Materials and Natural Stone Industry, Coal and Ore Mining

in conjunction with

Iran StoneMac

Post Show Report 2010

The 9th edition of IranConMin was again a continuation of the exhibition's successful history: In spite of current political circumstances halls and outdoor area were crowded by visitors being interested in investing in top quality machinery for construction, mining and natural stone.

IranConMin 2010 – a great success

The success of the 9th IranConMin, which took place in Tehran from 5 – 8 July 2010, becomes apparent in its key figures:

- 232 exhibitors
- 29,500 visitors
- 15,000 sqm gross space

Visitors 2010

Around 30,000 top-decision-makers from building and construction companies, producers of building materials, the natural stone and mining industry, housing and urban developers, architects and consulting engineers.

Development gross exhibition space (sqm)
