

## IPC China Electronics Manufacturing Annual Conference 2009

Organizer : IPC/IPC China

Messe München International

Date : March 18-19th,2009

Venue : Shanghai New International Expo Center

# Attendee Invitation

### A distinguished industry event which you can not miss

In the year of 2008, a worldwide financial crisis starting from US has put China manufacturing industry in a really critical situation.

In order to help our members go through this special period of time and achieve financial success, IPC decided to launch IPC CEMAC2009 in Shanghai this march, as an annual conference for the China Electronics Manufacturing Industry.

This “Golden Week” consists of a technical symposium, IPC TGAsia standards development meetings, IPC China EMS Council meeting, IPC SPVC Council meeting, SMT Demoline, IPC Networking Session and etc..

### Examples of some Speakers

HUAWEI

Cookson Electronics

enthone

FOXCONN®
