	Signature:	Date:

This form must be completed by all exhibitors who wish to receive complimentary advertising material.

### EXHIBITION ADVERTISING THAT PAYS OFF

The more qualified trade visitors come to your stand, the greater your success. It is all about using existing contacts on the one hand and establishing new connections on the other – around the world. Experience has shown that potential customers from other countries plan their visits further in advance.

With that in mind, you should get started on your own IFAT CHINA + EPTEE + CWS 2010 advertising soon. The more often you remind your customers at home and abroad that you are participating in the Exhibition and invite them to visit you there, the more successful you will be. **Make use of the complimentary advertising material to invite your customers and business associates to your booth at IFAT CHINA + EPTEE + CWS 2010!**
