oils+fats

International Trade Fair for the Production and Processing of Oils and Fats made from Renewable Resources

16–18 September 2009 at the New Munich Trade Fair Centre

The quickest way to get to oils+fats

By car

An electronic traffic guidance system along the A94 motorway and signs in the greater Munich area will guide you directly to the trade fair centre.

From the airport

+ By taxi

A taxi is a convenient way to get from the airport to the trade fair centre in approx. 35 minutes and for a fixed rate of EUR 51.

+ By airport shuttle

Shuttle busses travel to and from the trade fair centre during the fair. Tickets cost just EUR 7 one way and EUR 12 round trip. Travel time: approx. 45 minutes.

+ By suburban train

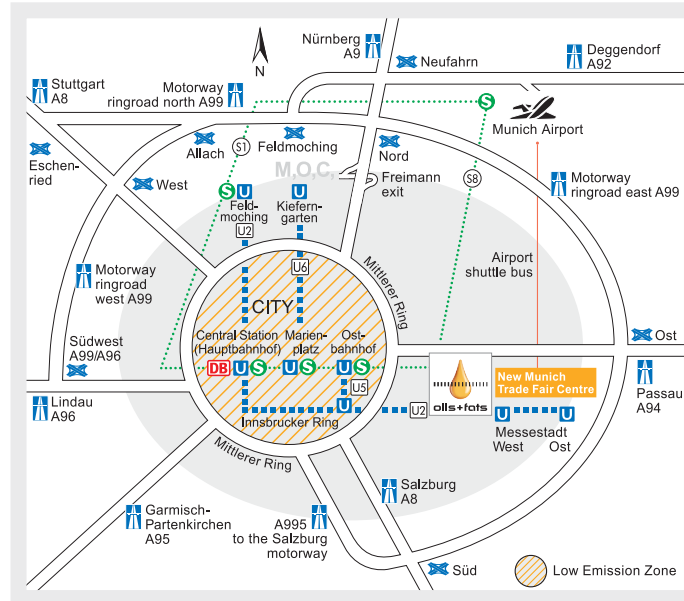

Take the S8 to Munich's main train station ("Hauptbahnhof"), then take the U2 underground to the trade fair centre ("Messestadt West" station). Travel time: approx. 60 minutes.

By underground

The U2 underground travels from Munich's main train station ("Hauptbahnhof") directly to the trade fair centre ("Messestadt West" station). Travel time: 20 minutes.

Hotel reservations

Detailed information about hotels and guest houses near the New Munich Trade Fair Centre and in the surrounding area is available at www.oils-and-fats.com/stay

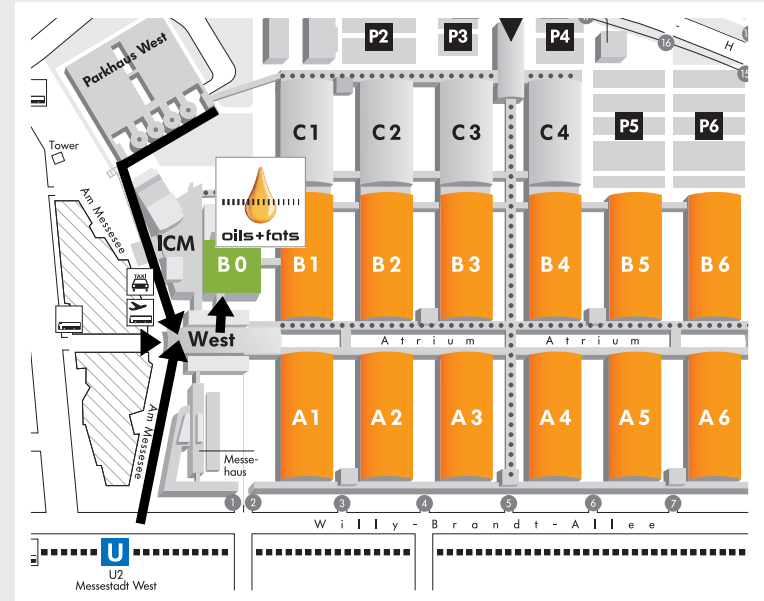

Low-emission zone

As of October 2008, all streets located inside the "Mittlerer Ring" are considered to be in the low-emission zone, for which a car sticker is required. Due to this change, Messe München GmbH and DEKRA have set up a service point for exhibitors and visitors. Emissions stickers may be purchased at DEKRA for EUR 5. All important information is available at www.oils-and-fats.com/directions
