

Product Categories for the Catalogue Entry

Please choose those categories, which coincide with the areas of your company's activities:

- 01 Road-building machinery and equipment
- 02 Excavators, loaders, earthmoving and planning machines
- 03 Attached working equipment
- 04 Machinery for road reparation and maintenance
- 05 Special construction vehicles
- 06 Machinery for trenchless laying of service lines
- 07 Drilling equipment
- 08 Equipment for pile-driving
- 09 Pumps and equipment for trench and underground works
- 10 Lifting appliances, cranes and transporters
- 11 Building constructions and scaffolding
- 12 Formworks
- 13 Equipment for concrete works
- 14 Compressors, pneumatic and hydraulic tools
- 15 Generators, electric power stations and engines
- 16 Systems of destruction and demolition
- 17 Measuring and laboratory machinery, diagnostic equipment, geodesic equipment and instruments
- 18 Equipment for the production and storage of building materials
- 19 Equipment for the treatment of construction debris and waste
- 20 Machinery for transportation of materials, items, machines and mechanisms
- 21 Building tools and repair equipment
- 22 Wearing parts and components for machines and mechanisms
- 23 Tires
- 24 Lubricants
- 25 Rent and leasing of construction machinery and equipment
- 26 Financial and insurance services, specialized mass media
- 27 Mining machinery
- 28 Logging machinery
- 29 Warehouse machinery
