

# Important Informations for Exhibitor and Visitor

## Low emission zone

The low emission zone covers the downtown area within the "Mittlerer Ring", but does not include the ring itself.

From October 1st, 2008, Munich will have an low emission zone. High-emission vehicles are no longer allowed to drive in the city center. A sticker will be required to prove that your vehicle fulfills the EU exhaust standards. The new regulation covers all automobiles, buses, motor homes and trucks.

DEKRA offers in cooperation with the Munich Trade Fair following service:

Stickers are available at the DEKRA
